JSPS-DGHE Joint Research Projects for FY 2010

Dear Dr. Sukamto,

Regarding cooperation between our organizations in the next year, FY 2010, I would like to continue the same scheme and schedule as we used last year. Accordingly, I propose the following schedule for application and selection:

Application/Selection Procedure for FY2010 JSPS-DGHE Scientific Cooperation Program

|                            |   |
|----------------------------|---|
| June, 2009                 | Call for applications   |
| 9 September, 2009          | JSPS's deadline for submitting applications                   |
| October, 2009              | Exchange application lists                                    |
| December, 2009             | Exchange review results on each side/Joint selection decision |
| April, 2010 to March, 2011 | Start FY2010 collaborations                                   |

As this schedule is also applied to JSPS's bilateral programs with other countries, we would, if possible, like to use it in the JSPS-DGHE collaboration.

If you have any suggestions regarding the details, please let me know by June 3, 2009. If we receive no suggestions, we regard it as you have no problems.

I look forward to hearing from you soon.

Sincerely yours,

Ayako Masawa (Ms.)  
Head  
Asian Program Division  
International Program Department
